Regarding: Electronic notice filed by the CITF with DOL seeking an exemption from filing a Form 5500

Dear Members,

On July 22, 2019 the Carpenters International Training Fund ("CITF") filed for an exemption with the DOL seeking to eliminate the need to file a Form 5500 with the DOL.

Consequently, CITF will put the notice on the UBC website, post the notice at the International Training Center and enclose the notice with any mass emails, text messages or letters sent to employees of the contributing employers to CITF who may be eligible to enroll in any courses of study sponsored or established by CITF.

Furthermore, the notice is available upon request to eligible employees of employers contributing to CITF.

Please contact CITF with any question
